

St. Clair County Community Mental Health  
**Scholarship Fund Application**

---

Our objective is to provide an individual receiving public mental health services with an opportunity to attend college. Any recipient of public mental health services, who is a first time college student may apply for this scholarship.

The scholarship will cover credit hours and course materials (books, lab fees, etc.) for an initial class (projected 3-4 hours) and will be paid directly to the college.

**Application Process:** Please fill out the following application out in its entirety. When submitting, ensure that your essay and high school diploma/GED certificate are attached as well.
