# SCCCMH C.A.R.E.S

### COMPASSION

Demonstrating empathy, understanding, and kindness, we are committed to treating all people with care and respect.

### ACCESSIBILITY

By removing barriers to care, we ensure that mental health services are readily available and accessible to all community members.

### RELATIONSHIPS

We work collaboratively with clients, families, and providers through shared decision-making to achieve positive mental health outcomes.

### EMPOWERMENT

We recognize individuals' strength and resilience and seek to empower them to take an active role in their recovery journey.

### SERVICE EXCELLENCE

Striving for the highest standards of excellence, we are committed to providing quality care and pursuing ongoing learning and development.

## How We Help

# ST. CLAIR COUNTY COMMUNITY MENTAL HEALTH

*Your Guide to Behavioral  
Health Services and Supports*

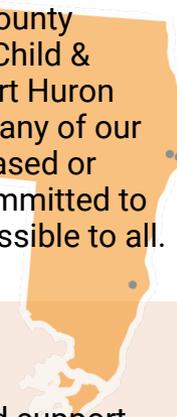

## ABOUT US

St. Clair County Community Mental Health (SCCCMH) is a Certified Community Behavioral Health Clinic that provides comprehensive behavioral health services and supports for adults with mental illnesses, children with serious emotional disturbances, individuals with intellectual/developmental disabilities, and individuals with substance use disorders.

Our approach is centered around you, focusing on personalized care plans. We believe that true healing involves the mind and body working together.

The People's Clinic for Better Health, located at our main office in Port Huron, provides primary care services, including treatment for routine illnesses, chronic condition management, and specialist referrals. When you choose SCCCMMH and The People's Clinic, you'll benefit from the expertise of a treatment team, ensuring coordinated care for your physical and mental well-being. Genoa Pharmacy, inside our Port Huron location, offers convenient prescription filling.

We have offices in Port Huron, Marine City, and Capac to serve St. Clair County residents close to home. Our Child & Family Services location in Port Huron serves children of all ages. At any of our convenient locations, home-based or telehealth services, we are committed to making high-quality care accessible to all.

- Treatment for substance use disorder
- Support groups to foster connection and understanding
- Supported employment and work training opportunities
- Dedicated veteran system navigation services for veterans

**HOPE IS  
HERE.  
HELP IS  
HERE.**

Trained professionals will help you determine your eligibility for services through SCCCMMH. If you qualify, costs may be covered by Medicaid or private health insurance plans. We offer a **sliding fee scale** to help with out-of-pocket expenses. If you don't meet the criteria for SCCCMMH services, we can provide valuable information about other treatment providers in your area.

When you call the **Access Center**, licensed clinicians are ready to provide immediate assistance and customer service.

In the event of a mental health emergency, our **Mobile Crisis Unit** offers by-phone and in-person assistance. Crisis response services are **available to all St. Clair County residents**, and you do not need to be enrolled in SCCCMMH services to access crisis care and support.

**You don't have to face your challenges alone. Help is available, and we are here to support you every step of the way.**

**24/7 Crisis Support:**  
**Access Center: 888-225-4447**  
**Mobile Crisis Unit: 810-966-2575**
