

PROGRAM OPERATIONS DIRECTIVE

51.0

SUBJECT: Urine Drug Screens

ISSUED: 04/02/2024

PURPOSE:

To clarify the process and utilization of Urine Drug Screens.

POPULATION:

All

DEFINITION:

Urine Drug Screens (UDS) should only be completed if it is ordered by a CMH Prescriber (can be a standing order) and included in the IPOS.

Consultation with a CMH Prescriber is required to have a UDS completed at St. Clair County CMH.

Urine Drug Screens are not to be sent out for further testing without consultation and consent of the CMH Prescriber.
